3. INTERNSHIP MANAGEMENT INTERNSHIP

The University assigns internship places to Educational Centers in accordance with the regulations in force in each Autonomous Community. The procedure for assigning internship places is carried out in the following phases:

- **a.** Request for a Center: the student completes the application form for the Preferred Centers to carry out the internship, considering the regulations of each Autonomous Community.
- b. Documentation collection phase: in this phase, the Professional Careers Department reviews the applications and confirms whether they meet the requirements established by each Community.
- c. Centre allocation phase: the Department of Professional Careers establishes the communication process with the Centers to assign places to students. In this regard, the deadlines set by each Department and the availability of the Centers and students are considered.
- d. Provision of documentation: the student submits the required documents to the Department of Professional Careers and once reviewed and approved, the student is authorized to begin the internship on the established dates according to the availability of the Educational Center.
- **e. Sending the documentation to the Center**: the Department of Academic Coordination of the Practicum of the University sends the professional tutor the orientation guides of the Practicum and the certificates to evaluate the student's performance during the Practicum.

4. EVALUATION SYSTEM

4.1. Granding system

The final grading system will be expressed numerically, in accordance with Article 5 of Royal Decree 1125/2003 of September 5 (BOE, September 18), which establishes the European Credit Transfer System (ECTS) and the official grading scale for university degrees, valid throughout the national territory.

0 - 4.9 Fail (SS)

5.0 - 6.9 Pass (AP)

7.0 - 8.9 Excellent (NT)

9.0 - 10 Outstanding (SB)

The distinction of "Matrícula de Honor" (Honors) may be awarded to students who achieve a grade of 9.0 or higher. The number of Honors awarded may not exceed 5% of the students enrolled in a given course during the academic year. If fewer than 20 students are enrolled, only one Honors distinction may be granted.

4.3. Restrictions

Writing rules

Special attention will be paid to the presentation and content of written assignments, practical exercises and projects, as well as to exams, considering grammar and spelling. Failure to comply with the minimum acceptable standards may result in points being deducted from said assignment.

1.4. Warning about plagiarism

Universidad Antonio de Nebrija will not tolerate plagiarism or any form of academic dishonesty under any circumstances. Plagiarism includes the reproduction of text from external sources (internet, books, articles, classmates' papers, etc.) without proper citation of the original source. The use of quotations must be appropriate and not excessive. Plagiarism constitutes a serious offense. If such practices are detected, they will be classified as Serious Misconduct, and the corresponding sanctions established in the Student Regulations may be applied.
