

An illustration of Ada Lovelace, a woman with dark brown hair styled in an updo with a yellow and white flower hairpin. She is wearing a dark blue dress with a ruffled collar. The background is dark with faint mathematical formulas and diagrams. To the right, there are several roses in shades of yellow, white, and pink. The overall style is a blend of historical illustration and modern digital art.

ADA LOVELACE

MATEMÁTICA Y ESCRITORA

La primera mujer programadora de la historia. Ella es la desarrolladora del primer algoritmo procesado por una máquina.
